Daughter of Continental Patricia Miller

Atlanta Chapter of Continental Societies, Inc.
Terry B. Woods, President
Gladys H. Camp, PhD, 1st Vice President
Chalanda Tucker, 2nd Vice President

SPOTLIGHT on MEMBERS

On March 24, 2007, *Continental Nicole Adams* (pictured wearing the white cap) ran the ING Inaugural Georgia Marathon (26.2 miles)/Half Marathon (13.1 miles) in downtown Atlanta. With a finish time of 3:02, Nicole completed her very first Half Marathon. According to Nicole, “the course was phenomenal, going through 7 historic neighborhoods in downtown Atlanta.” As a runner, Nicole understands the importance of physical fitness — and how it can contribute to a healthier, longer life. What a great example to set for the children. Congratulations, Nicole!

Dover Training Institute, founded by *Continental Sanquetta Dover* (left), teamed with State Representative Roger Bruce and Care Improvement Plus, Georgia’s first and only state-wide health plan to focus exclusively on chronically ill Medicare beneficiaries, and presented “Diabetes... Learn to Live,” a health fair for Atlanta-area seniors living with diabetes. Dover Training Institute, Inc. (DTI) is a 501(C)3 organization that provides training and educational enhancement classes, workshops, outreach and social support services to adults and youth who reside in underserved areas. Prior to the April 2, 2007 event, Sanquetta appeared on WSB-TV’s People to People with Jocelyn Dorsey to promote the fair.

NEW & PROSPECTIVE...

Dr. Darlene Ruffin-Alexander is embraced and surrounded by the Atlanta Chapter at her Installation into the Continental Societies, Inc. on Saturday, January 27, 2007.

The Atlanta Chapter greets prospective members at their Spring Open House on Sat., April 14. As a result, a class of seven ladies will be installed into the chapter on Sunday, July 15, 2007.
